of ICC's legal role to ~~an extent~~ an easily understandable level. ~~It~~ ~~speaks~~ Furthermore,

speaking of the election's significance, ~~the~~ phrase "add fresh blood to the ICC" ~~was~~ is vivid

to demonstrate the role of election to add ~~more~~ new voices and representation. In addition,

"help" increase efficiency. The ~~casual~~ language of "help" hides the process of case ^{undating} ~~system~~ ^{reinstantiate and modernize an aging}

handling, but it presented the significance of new judges in efficiency ^{implicitly? yet} abstractly and clearly to the reader. Therefore, the ^{deepening} structure of the comic, from high-level introduction of history

to significance and process, ~~it~~ effectively introduces ICC and election process of new judges from general to detail, with ^{accessible} simple language. ^{an average reader can comprehend} The use of ~~such~~ casual language and deepening

structure ~~enhance~~ ^{perception} dismantled the stereotype of the ^{incomprehensible/opaque} ~~ununderstandable~~ complexity of a legal institution and ^s inspired general readers' interest in further understanding ^{the election process}.

The author further included ^s some specific statistics to ~~bring~~ make the concepts ^{more} ~~and~~ relatable. By citing '122' collaborating countries, it ~~encourages~~ not only reveals the international nature of the ICC, but also ^{motivates/intrigues} inspired the reader to check if his/her country was one of them.

Key detail of "18" judges in total and ~~over~~ "9"-year-non-renewable term are straightforward to the reader ~~and~~ are easily remembered ~~to~~ with the 18 figures in the comic. Interestingly,

The date of "8-17 Dec 2014" corresponded to ^{perhaps this is because the UN Headquarters are in New York and the ICC} (while based in the Hague and ^{independent of the UN} has a relationship with the UN Security Council) the publish date of the comic, making the comic ~~more~~ to have forecast effect on the reader. ^{smartly} to encourage attention on the election. Thus, the author's inclusion of details

^{connected} ~~the~~ the context of ~~the~~ the ICC ~~to~~ with the readers to ^{enhance} ~~encourage~~ their understanding and further attention.

In addition to language use, the author used visual elements to further simplify understanding. The figure in red with a bell corresponds with a classical icon of an European American ^{this is the woman in Panel 3; personification of Lady Justice} associated with justice. The figure adds to the reader's familiarity and captures their attention to encourage further reading of the comic. The long parchment ⁽¹¹⁾ extending from the figure's hand passed ~~from~~ ^{OK, men in suits} to presidents of different races. This visual element illustrates the continuity and ~~kept~~ ^{legal} the moral heritage of justice vividly to the readers with imagery, while the ~~the~~ president figures show the collaborative nature of ICC. These visual depiction ~~the~~ deepen readers' understanding of ICC without text, effectively bringing understanding. Furthermore, the vivid depiction of 18 judges not only reinforces the "18" figures for readers' memory, it also ^{yes!} vividly demonstrates the need for new judges. ~~The spider web~~ From upper to lower row, the judges are older, with ^{aged} more older facial expression. The exaggeration of spider web and ^{to readers,} ~~oxygen bottle~~ ^{bank} further hinted the ~~new~~ significance of new judges to ^{refresh} ~~renew~~ the court. To further ~~show~~ the significance, the author employed literal icons of the goddess of justice with fresh blood. ^{visual} ~~The blind~~ [?] This straightforward depiction of "new blood" correspond to ^{Intravenous} ~~symbolic~~ = blood transfusion the text, but also ~~reminded~~ ^{OK} ~~him~~ implies that the new blood keeps the justice goddess young. The goddess here also symbolized ICC. Her blind fold ^{represents the impartiality, neutrality, lack of bias} hinted the justice of ~~no~~ without and the gadget in her hand ^{scale for balance} ^{represents fairness}

bias and orientation to rules, idealizing ICC's ^{image in readers.} ~~presence~~ ~~presence~~ Similarly, young judge

holding the documents from the old judge depicted the significance of the election. The gesture

of the old judge ^{on his knees} ~~on his knees~~ showed his weakness due to his old age. The new judge's ^{and emanates a sweat} ~~and emanates a sweat~~

helping hand under the old one's illustrates passing responsibility. These vivid depiction ^{yes, and also suggests that younger judges are more fit to handle} ~~illustrate~~

the significance of "new judges ^{to enhance efficiency}" and also adds humor to the readers to inspire

their interest.

To conclude, by using casual language ~~and~~ with interacting images, the author skillfully

lowered the barrier for ^{general} ~~normal~~ readers to understand ICC and its ~~election~~ ^{process} of electing

judges and ^{inspired} ~~encourage~~ further attention to the incoming election event with tangibility.
